

Style Guide:

Color palette:

I chose it from colors.co “ <https://colors.co/palettes/popular/blue>” .

I used this color palette :

I chose the shades of blue, because blue symbolizes calmness and serenity. It evokes a sense of peace and trust.

Logo : I designed it using canva <https://www.canva.com/create/logos/>

Icons: I took icons from both ionicons “ <https://ionic.io/ionicons>” and font-awesome “ <https://fontawesome.com/search?> “

Background: I searched for an it relevant background on google and chose one, then I modified the colors using css in the implementation.
